TERMINAL DISCLAIMER

Sir:

In accordance with the provisions of 37 CFR 1.321(c), Applicant declares that U.S. Patent 6,675,660 is both assigned to and owned by Sandia Corporation, Albuquerque New Mexico, that Applicant disclaims the terminal portion of any patent granted on the instant application and that any patent granted on subject application shall be enforceable only for and during such period that said patent is commonly owned with the application that formed the basis for the rejection. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors and assigns.

Respectfully submitted,
